Forecast For Northeast England
Issued by Met Office Exeter
at 0400 on Friday 08 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mostly fine with warm sunshine today.

Today:
A dry and bright morning for many, away from western hills. Here cloudier skies could bring the odd spot of rain first thing. Increasingly sunny for all by the afternoon and feeling warm with light winds. Maximum temperature 21 deg C (70 deg F).

Tonight:
Largely clear skies overnight and remaining dry across the region. Perhaps a few mist or fog patches developing in the south by the end of the night. Minimum temperature 9 deg C (48 deg F).

Saturday:
Turning cloudier through the morning, though likely remaining dry with a few brighter spells at times. Cloud thickening into the afternoon bringing some outbreaks of patchy rain. Still rather warm. Maximum temperature 18 deg C (64 deg F).

Outlook for Sunday to Tuesday:
Dry and bright on Sunday, though feeling fresher. Breezier by Monday with rain arriving from the west. Fine and dry Tuesday, with lighter winds, but noticeably cooler.
